

# Faithfulness (Psalm 105)

O Lord, You are faithful  
When all things change  
And I feel so insecure  
I look to You  
Your promises are sure –  
You are so faithful.

Lord, help me see You are faithful  
When it feels as though my little world would end  
Help me see You are closer than a friend  
Make me see, Lord  
You are so faithful.

Remove the sinking sand, Lord  
Let it just slip away  
Away from the Rock, the Rock which is Your Word  
And plant my feet firmly there, O Lord  
To grow, rooted in You. Firm  
Because You, O Lord, are faithful.
